Officers, Sgts, Captain,

In Lieu of our SLO's being available, I am forwarding this to anyone who might be interested. This weekend this graffiti was found (estimated art time was 4pm to 5pm on Saturday 8/20) inside the parking structure behind our building. Also a backpack and other things were stolen from an open car (I KNOW) at approx. 10:30 pm on Saturday.

So if anyone needs a shady spot to write reports or make a couple of phone calls, we would be honored to have you in our structure.

Hugs,
Miki
